2. Sur chaque dessin, place les aiguilles pour avoir l'heure indiquée sous chaque horloge.

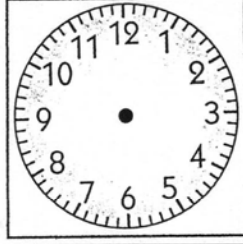

14 h 50

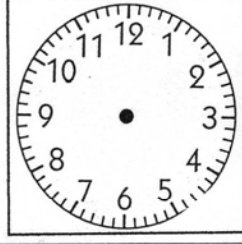

Midi moins cinq

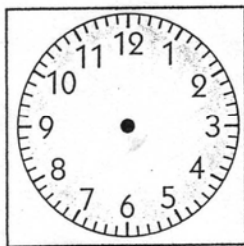

2 h moins le quart

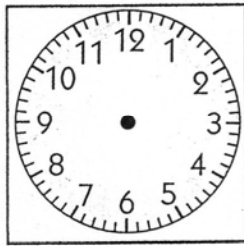

7 heures
et 10 minutes

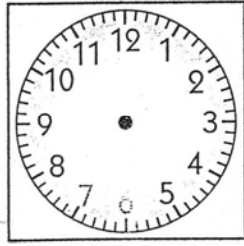

3 heures
et 40 minutes

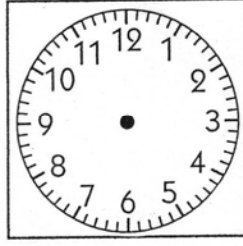

8 heures
moins 5 minutes

15 heures
et 25 minutes

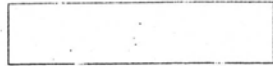

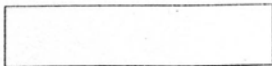

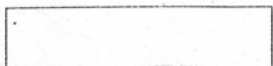

2 heures et quart

10 heures et demie

3. Complète pour que les montres à aiguilles ou les montres à quartz l'une au-dessus de l'autre indiquent la même heure.

7:45

14:25
